

MPPSC Volunteer Initiative

Soft Launch & Pilot Program

January 15 2025

MPPSC Volunteer Initiative

1. What is the MPPSC volunteer initiative soft launch?
2. Why do we need this initiative?
3. How will the MPPSC volunteer initiative work?
4. What are the next steps?
5. Q & A

1. What is the MPPSC volunteer initiative soft launch?

- MPPSC is running volunteer pilot program during the 2024-2025 season.
- Offering educational opportunities to members prior to the 2025 - 2026 season.
- Looking to improve access to volunteer opportunities within the club.
- Giving the opportunity to members for feedback prior to the 2025-2026 implementation of the program.

2 .Why we need this initiative?

- Volunteers are crucial to the running of a non for profit organisation.
- Hundreds of volunteer hours are needed to run events and facilitate activities.
- Data shows that we run short of volunteers at all of our events, although we have the second largest club in our province.
- We aim to prevent volunteer burnout.

3. How will the MPPSC volunteer initiative work?

- Each **family** will be required to achieve a certain number of volunteer credits.
- For families with multiple skaters, the number of credits will be determined by their highest level skater.
- Hours will be tracked by our club administrator and can be inquired about at any time.
- For the **2024-2025 season**, hours will be tracked to ensure that we have ample volunteer roles and that the credits asked are achievable.
- The intent is that during the **2025-2026** season families will be charged \$20 for every credit not earned.

3. How will the MPPSC volunteer initiative work?

Table 1. Credits required per family based on skater's enrollment

	Credits per family	Volunteer Opportunities
Synchro Only	1	Competitions, High Test Day, Ice Show, Simulations, Seminars, Fundraising support, team manager, etc.
<u>Precan/Canskate</u>	1	Ice Show, Fundraising support, etc.
Junior	3	Competitions, High Test Day, Ice Show, Simulations, Seminars, Fundraising support, etc.
Intermediate	4	
Senior	5	

1 credit = approx. 1 hour

4. What are the next steps?

1. Seek feedback from members
2. Review data from the 2024-2025 volunteer pilot program
3. Determine if the program is suitable & realistic for our organisation for the upcoming 2025-2026 season
4. Inform members of our findings
5. Launch volunteer program in August 2025-2026

Thank you!

Q & A
