

Hi MPPSC Ice Show 2024 Participants!

Tickets will be available for presale to families starting on Tuesday, April 16th, at 8:00 am. Each family will be allocated 3 fixed-seat tickets, not per skater. The fixed seats will be assigned at pick up to alleviate having to save seats prior to the show starting. Bench seating can be purchased, and these tickets are not limited.

Presale family tickets will be available until Friday, April 19th, then they will be open to the general public as of Saturday morning, April 20th.

As of Tuesday, April 16th, family presale tickets can be purchased by calling the Paradise Double Ice Complex at (709) 782-6290 or by visiting Reception at the Paradise Double Ice Complex. Reception is open from 6:00 am to 10:30 pm daily. Family presale tickets will be reserved under your skater(s) name, and tickets must be picked up in person. If accessible seating is required, please let the reception office know.

We kindly ask for your patience regarding ticket purchase and pick up, as there is a large hockey tournament at the rink until April 21st, sometimes with games with up to 500 spectators. You can click here for the tournament schedule: [Tournament Schedule](#)

Ticket prices are as follows: Fixed seat adult \$25, Fixed seat Youth \$15 (These seats will be assigned). Bench adult \$15, Bench Youth \$10. (These seats will not be assigned)
